Gary-

I negotiated down from 3 days to 2 days, first day was free/no charge. Then had vendor convert to the lesser of 2 days or a weekly rate, weekly rate was less than the \$815.00/day for a 4,100# breaker.

We should only be charged for 2 days of rental for the breaker as it took them 2 days to install and it wasn't on until around 10 am.
